

Effective: January 1st, 2025
Princeton Municipal Light Department
MDPU# 123

RESIDENTIAL RENEWABLE RATE (RRR)

AVAILABILITY: Service under this rate is available for all domestic purposes in an individual private dwelling, apartment, or a non-profit entity. Incidental commercial uses on the same premises (not exceeding 150 kWh per month, as determined by the Department) may be permitted under this rate at the Department's discretion depending upon the metering requirements and the nature of the commercial load characteristics. In the case of multiple dwellings, the Department may under unusual circumstance and solely at the discretion of the Department, permit service under this rate through a master meter; however, the monthly customer charge shall be applied for each residential service meter, and the minimum monthly charge shall be equal to the customer charge multiplied by the number of separate living quarters so served.

COST OF SERVICE:

Monthly Service Charge:	\$8.95 per meter (with no kWh)
Energy Charge:	\$0.2475 per kWh
Monthly Minimum Charge:	The Monthly Service Charge
Renewable Energy Credit Charge:	Actual Cost of Class 1 RECs per kWh used

- PMLD will purchase RECs on behalf of the customer and pass the cost to the customer as the Renewable energy charge per kWh.

DISCOUNT: A 5% discount will be applied to the Residential Service Energy Charge, provided all outstanding bills are paid before the 20th of each month at the discretion of the Department. An outstanding bill equal to the monthly discount that would have applied on the single prior month's bill may be disregarded when determining applicability for the discount. No discount will be allowed on the Customer Charge, the Purchase Power Cost Adjustment, or any other charge that may be applied from time to time.

TERMS AND CONDITIONS: The Department's Terms and Conditions in effect from time to time, where not inconsistent with the specific provisions hereof, are a part of this rate.

POWER COST ADJUSTMENT: A Purchase Power Cost Adjustment (PPCA), either a charge or a credit, shall be applied to all kilowatt-hours sold under this rate as provided in the PPAC.

EXCULPATORY CLAUSE: An exculpatory clause shall apply to all rates and services provided by the Department.
